

## **Multiple Faculty Positions (All Ranks) in the College of Business and Economics – Qatar University**

### **Accounting, Economics, Finance, Information Systems, Management, and Marketing**

#### **Qatar**

Qatar is a major oil and gas producing country. It is an exciting place to be as the country is witnessing unprecedented prosperity and activity in the business, construction, health, and education sectors. With developments including the arrival of many respected US universities as competition, the Education sector in particular has drawn applause as a rapidly progressing field, and Qatar University now has the privilege of setting the standard against such names as Cornell, Texas A&M, and Carnegie-Mellon, University College London, among others.

#### **The University**

Qatar University (QU) is an established and dynamic institution dedicated to academic excellence, and is a strong contributor to educational advancement in the country. Recently, QU has been actively engaged in self-evaluation, instituting significant changes in its policies and procedures, curricula, research support, facilities, use of technology, and faculty. QU remains the largest and only state-supported university in Qatar. For more information, please visit our web page at: <http://www.qu.edu.qa/>

#### **The College**

The College of Business and Economics (CBE) was established in 1985. It provides a high quality, applied business education in a collegial, intellectually stimulating, and supportive learning and working environment. Guided by the university reform plan and committed to innovative curriculum and continuous improvement, the college offers undergraduate and graduate business programs that connect theory to practice, promote critical thinking, and engage students in active and collaborative learning. The CBE is experiencing unprecedented expansion and growth and is thus seeking faculty who will become an integral part of this exciting phase. The CBE is accredited by AACSB International.

Full-time faculty positions at the level of Assistant, Associate or Full Professor are available in multiple disciplines: Accounting, Economics, Finance, Information Systems, Management, and Marketing.

#### **Requirements**

1. Candidates must have, or anticipate receiving a doctorate degree from an accredited university by the time they join the College.
2. Candidates with teaching experience and/or established research record are preferred.
3. Candidates with knowledge of AACSB accreditation process and standards are preferred.
4. Ability to teach in Arabic and English is required for all areas except Information Systems in which the language of instruction is English.
