

**Frankfurt School of Finance & Management**  
**Professor of Big Data Analytics/Machine Learning in Finance**

The Frankfurt School of Finance & Management is one of Germany's leading business schools. To further strengthen our Finance department, we seek to fill a position as Professor of Big Data Analytics/Machine Learning in Finance (open rank).

**JOB QUALIFICATIONS:** The successful candidate should perform research that applies methods of big data analytics/machine learning to topics in finance. We are looking primarily for research excellence, regardless of the area of specialization. The successful candidate should have a strong publications record in either top finance, economics or econometrics journals or show great potential to conduct such top quality research.

**JOB DESCRIPTION:** He or she is expected to actively contribute to the further development of the Finance department, and to teach big data analytics with applications to finance in undergraduate, MBA, Ph.D., and executive development programs.

**ABOUT THE DEPARTMENT:** We offer a stimulating research environment and all the opportunities of a dynamic private business school closely connected to German banks and firms. For further information on the Frankfurt School, see: <http://www.frankfurt-school.de>

**APPLICATION PROCEDURE:** The deadline for applications is November 15, 2016. Please submit your application including your CV and contact information for at least two references by e-mail to Kerstin Schwarz at [personal@fs.de](mailto:personal@fs.de)

The Frankfurt School of Finance & Management values diversity and seeks talented students, faculty, and staff from diverse backgrounds. The Frankfurt School is an equal opportunities employer. Women and individuals with disabilities are strongly encouraged to apply.

**FURTHER INFORMATION:** For inquiries about the position, please contact Prof. Zacharias Sautner, Head of the Finance Department, Phone: +49 (0)69 154008-755, e-mail: [z.sautner@fs.de](mailto:z.sautner@fs.de)
