Journal of Financial Research - European Symposium

Call For Papers

Dates: July 7-8, 2023

Location: Bocconi University Campus, Milan, Italy

BAFFI CAREFIN Center at Bocconi University and the Journal of Financial Research invite you to submit papers to the two-day symposium to be held in Milan on July 7-8, 2023.

While we welcome papers in all areas of finance, we particularly welcome papers focusing on issues that are relevant from a European perspective. Moreover, we plan special sessions dealing with:

- Climate change, and
- Political tensions and conflicts

Only one session will be held at a time (no parallel sessions) to maximize the opportunity to network and offer a chance for in-depth paper presentations and discussions.

All accepted papers will be submitted for publication in a special issue of the Journal of Financial Research, with expedited review.

The sessions will be arranged by Professors Massimo Guidolin and Milena Petrova and the Journal of Financial Research Editors (Erik Devos, William Elliott, and Murali Jagannathan).

Submission details:

Papers should be submitted no later than April 30th for full consideration. Submit through the [ConfTool website](https://www.conftool.pro/jfr2023) (<https://www.conftool.pro/jfr2023>). The submission fee is \$50. Note that submissions to the symposium do not preclude regular JFR submissions. The conference fee will be \$150.

Questions about the symposium should be addressed to: hdevos@utep.edu.
