

CALL FOR PAPERS
2025 Global AI Finance Research Conference

December 14-15, 2025
Hong Kong (In-person only)

The FinTech Research & Education Center at Sungkyunkwan University, The University of Hong Kong, and Asian Institute of Digital Finance at National University of Singapore will be holding the annual international conference in the University of Hong Kong on December 14 to 15, 2025. Financial Information Society of Korea is participating in this conference as a co-organizer. The conference provides a platform for researchers and practitioners from academia and industry to present current research and stimulate exchanges on new developments in FinTech areas. The conference will accept only a small number of papers to enhance its quality and be held in-person only. Please go to the conference website (www.aifinconf.org) for further information.

TOPICS:

Papers in all areas of FinTech are welcome. Topics of interest include:

- Artificial Intelligence (AI), Big data and Machine Learning
- Blockchain and Cryptocurrencies
- Security Token Offerings (STOs) and Initial Coin Offerings (ICOs)
- Decentralized Finance (DeFi)
- Peer-to-peer lending
- FinTech regulation
- High-frequency trading and market liquidity
- Green FinTech

KEYNOTE SPEAKER:

Jun Pan, Shanghai Advanced Institute of Finance, Shanghai Jiao Tong University
