

## **6th International Conference of the Financial Engineering and Banking Society Call for Papers**

June 10-12, 2016, Universidad de Malaga, Spain

You are invited to submit papers for presentation at the 6th International Conference of the Financial Engineering and Banking Society to be held on June 10-12, 2016 in Malaga, Spain.

The Conference is organized by the School of Business and Economics, University of Malaga (Spain), in co-operation with the Portsmouth Business School (University of Portsmouth, UK) and the Centre for Money, Banking & Institutions (University of Surrey, UK).

### **KEYNOTE SPEAKERS:**

- Prof. Franklin Allen, Imperial College London and Wharton School of the University of Pennsylvania
- Prof. Arnoud Boot, University of Amsterdam
- Prof. Stavros A. Zenios, University of Cyprus

**SPECIAL ISSUES:** Selected papers presented at the 2016 Conference will be published in special issues of the Journal of Financial Services Research and Annals of Operations Research. In addition, the conference organizers, in collaboration with the relevant journal editors, will also invite Conference participants to submit to regular issues of the Emerging Markets Review, the Journal of International Financial Markets, Institutions & Money and the Journal of Multinational Financial Management.

**PHD STUDENTS SPECIAL SESSIONS:** Some concurrent sessions will be reserved for presentations by PhD students.

### **CONFERENCE AWARDS:**

- The most outstanding paper presented at the Conference will be granted with the Conference Best Paper Award (Euro1,000).
- The Young Researcher Award (Euro 500) will be given to the best paper presented by a PhD student.
- The Best Paper Award in Banking (Euro500) will be given by the Portsmouth Business School (University of Portsmouth, UK).

**SUBMISSIONS AND IMPORTANT DATES:** Those wishing to present a paper at the Conference are invited to submit their manuscript or an extended abstract via the online submission system (<http://febs2016malaga.com>) by February 22, 2016. Paper submission to the 2016 Conference is already opened!

**AIM AND TOPICS:** The theme of this year's edition is "Banking, Finance and Institutions: Stability and Risk". The Conference aims to provide a forum for discussion among academics, researchers and policy makers from around the world on, among other topics, financial stability and risk management, performance of financial intermediaries and

financial markets, banking competition, regulatory and supervisory policies and reforms, financial modelling/engineering and decision making.
